Association with Professional Bodies:

Other Activities:

Associate Research, Ernst & Young, November 2008– 2010

- As a part of the **Conflicts Research** team, my job responsibility included providing research and data support to Ernst & Young clients. This involved researching and collating data from EY internal databases and external databases and providing the clients with the final opinion after analyzing the research done on the clients. Handled India Conflicts Process and Oceania Conflicts Process single handedly.
- Lead India Conflicts Process within 6 months of being into the system and designed research template for conflict checking process
- Worked for Bharti MTN, Bharti Zain, Tech Mahindra Satyam and other major national and international acquisitions. Assisted the clients with Due Diligence (Vendor due diligence, Financial, Commercial etc) and M&A services.
