**The Art and Craft Society of Vivekananda College , University of Delhi conducted many Competitions and Workshops during the year 2020-2021 under the guidance of Dr. Shahnaz Begum , Convener of Art and Craft Society. Kalakriti thrives for building a basic understanding of art forms and develop a respect towards art culture along with learning different art forms . Art is not a piece of work, but a tsunami of emotions presented in the most calm way. Kalakriti is a society that brings different arts from different background and put them on a single canvas . We believe in spreading our knowledge and encouraging people of all ages to create different art forms. Kalakriti society is the only society which brings out all the hidden talent inside us. This Society Act as a stage to show our qualities maybe in drawing, painting, craft, decoration, homemade things with zero investment, or we can say it is the perfect stage where we can do " Best out of Waste". Kalakirti society organise many things such as workshops, competitions, exhibitions and many more events under the guidance of our respected Dr. Shahnaz Mam.**

*When a student takes admission in college there are hundreds of questions in their mind, such as whether they will be able to make new friends? How will be the environment? Will I be able to adjust or not?.... And the list goes on... The college environment is friendly in all aspects and if you join the societies in your college, there is no chance that you have to spend all three years of college life alone. Society is not just about doing the work. When you become a part of your college society, things change, specially your personality. You become more confident, learn new things get to know new people and deal them and many more things. Students join the societies as per their preference. Those who are interested in arts can join the art society.*

*Kalakriti- The art and craft society of Vivekananda college is all about appreciating the creativity of young inspiring Utopia. We have organized various events and competitions to encourage students to showcase their talents. The orientation program for batch 2020 was organized on 17th January 2021 , from 3pm-4:30 pm. ## Angela Mishra

Mahatma Gandhi embarked on historic  
Dandi March from Sabarmati Ashram  
on March 12, 1930

The Dandi March  
is a great example  
of Bapu's principle of non-violence

"With this, I am shaking  
the foundation of the  
British Empire"

Dandi March  
started with  
78 satyagrahis  
But, soon, 50,000  
protesters were  
following Bapu.

It was called a  
'White Flowing River'  
as all were wearing  
Khadi

**5 MARCH 1931**  
**THE GANDHI - IRWIN PACT**  
The British finally bowed down.
